

HAZEL LEAVER

I have always loved dogs and I took a grooming course when I was 18 yrs old. I bought my grooming shop when I was 20 and have been a salon owner for 35 years. I started going to grooming seminars 10 years later after opening my shop and learned you could be certified in grooming so started that process. I earned my Master Groomer certification 2 years later and started competing. I won Best in Show Level Intermediate and multiple trophies in Advanced. I love hand stripping and scissoring poodles. I have been teaching grooming for 12 years. I have always believed in educating myself in my profession and continue to do so at every opportunity.
